Piekenierskloof Heirloom Red 2020

Nestled in the Citrusdal Mountains, some 50 kilometers north of Swartland, is the magnificent Piekenierskloof plateau, which provides the perfect natural environment for vineyards to thrive. At 750 meters above sea level, the plateau's climate is characterized by hot (warm) days and cool nights, which allow grapes to slowly ripen and develop complex fruit flavours. Ungrafted bush vines planted in the 1950's are still used in the production of Piekenierskloof Wine Company's range of Fairtrade wines.

IN THE VINEYARD

Grapes are sourced from vineyards in the Piekenierskloof region. These vineyards are all bush vines and grow on sandy, loam soils. The vineyards are meticulously farmed and managed to yield below 5 tons per hectare and hand harvested in March at a balling of 26.

WINEMAKING

Fermented at controlled temperature for 8 days (24°C). The wine was wood matured for 14 months in 40% new and 60% second fill and older 225L French & American oak barrels.
